

# LEED™ Intermediate Training Workshop

Sacramento, CA – Thursday, July 24, 2003 – 8:30 a.m.-5:00 p.m.

SMUD Energy & Technology Center - Rubicon Room

6301 S Street, MS A-226 - Sacramento, CA 95817

## REGISTER TO ATTEND A LEED™ TRAINING WORKSHOP IN YOUR AREA

The LEED™ Green Building Rating System is a comprehensive, voluntary design and assessment tool that helps architecture, engineering and construction professionals improve building efficiency, and measure the sustainability of their projects. Understanding LEED™ is an important step for reducing environmental impacts and achieving superior economic performance. Architects, engineers, facility managers and building owners who master LEED™ concepts and processes become knowledgeable practitioners and consumers of green design and construction.

## HOW TO REGISTER

Anyone in the building industry is invited to attend. Join the USGBC to get a discounted rate and other exclusive benefits! For more information on LEED™ Training Workshops or to register for a workshop near you, visit [http://www.usgbc.org/Events/events\\_training\\_calendar.asp](http://www.usgbc.org/Events/events_training_calendar.asp).

*USGBC is an AIA/CES Registered Provider of educational programs*

**Learn to apply LEED™ to your design practice and building projects by attending a LEED™ Workshop.**

- Introduce yourself to green-building design benefits and strategies.
- Learn how to use the LEED Green Building Rating System™.
- Learn about green building resources to use in your projects.
- Acquire the tools and insights for leveraging green design and LEED™ into your practice and differentiate yourself in the marketplace.
- Become an educated consumer of sustainable building practices.
- Gain the knowledge needed for taking the LEED™ Accreditation exam.

### **Workshop attendees will receive:**

- The LEED™ training workbook and speakers notes
- The LEED Green Building Rating System™
